CANADIAN PARKS AND WILDERNESS SOCIETY
SOCIÉTÉ POUR LA NATURE ET LES PARCS DU CANADA

60 years of · ans de CONSERVATION

La Société pour la nature et les parcs du Canada (SNAP Canada) est le seul organisme de bienfaisance au Canada qui se consacre à la protection de nos terres publiques, de nos eaux intérieures et de nos océans grâce à une forte présence nationale et régionale dans tout le pays. Œuvrant dans le respect de la souveraineté et du leadership des nations autochtones, nous sommes déterminés à protéger la nature pour contrer la double crise de la perte accélérée de la biodiversité et des changements climatiques. Notre vision est la protection permanente d'au moins la moitié des terres, des eaux intérieures et des océans du Canada afin de soutenir la nature et les êtres humains aujourd'hui et pour les générations futures.
